

Dear JCAA I Member:

As we receive updated announcements of Town Hall Meetings, we are adding them to the beginning of this list. You can note the date on the right side of the list to see if any have been added since the last time you checked. You can find meetings in your area by using the "search" feature.

JCAA I urges you to continue to write to your Representatives, even if you've written before. We need to keep the health care issue at the forefront of these leader's minds, so they truly can represent the concerns of their constituents.

JCAA I has provided links where you can obtain email addresses to contact your Senate (http://www.senate.gov/general/contact_information/senators_cfm.cfm) and House (<https://writerep.house.gov/writerep/welcome.shtml>) representatives for your letter writing campaign. With the following list, you can attend meetings in your local area. NOW is the time for your voice to be heard!

Sincerely,

James L. Sublett, MD
JCAA I President
